

Strata annual reporting

nsw.gov.au/housing-and-construction/strata/annual-reporting Printed: 5 April 2022

All strata schemes in NSW need to report in the Strata Hub each year within 3 months of their annual general meeting, including 2-lot schemes (most duplexes).

Last updated: 30 April 2024

[Start your annual reporting \(http://www.stratahub.nsw.gov.au/registrationSSR\)](http://www.stratahub.nsw.gov.au/registrationSSR)

[Log into the Strata Hub \(https://www.stratahub.nsw.gov.au\)](https://www.stratahub.nsw.gov.au)

Strata annual reporting is an important responsibility of the owners corporation and strata committee. All strata schemes, including duplexes and semi-detached dwellings, must complete annual strata reporting.

Annual reporting must be completed every year within 3 months of the [Annual General Meeting \(AGM\) \(https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/how-to-run-a-strata-meeting\)](https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/how-to-run-a-strata-meeting).

You also need to update your information within 28 days if:

- any contact information changes, for example a new phone number for the secretary, or
- you form a [strata renewal committee \(#toc-frequently-asked-questions-faqs\)](#) to sell or redevelop the whole strata scheme.

Has your strata scheme reported yet? Start the process as soon as possible to complete your first report, even if you haven't had a recent AGM. You can check if your scheme has completed reporting using the

Before you start reporting

1

Decide who will do the reporting

2

Decide on the emergency contact

3

Gather your reporting information

4

Register for the Strata Hub

How to report for the first time

Expand all Collapse all

Start reporting

videocam
1:55

Start reporting

1. Log into the [Strata Hub \(https://www.stratahub.nsw.gov.au\)](https://www.stratahub.nsw.gov.au).
2. Under 'My strata schemes' on your dashboard, select the 'Report a scheme' button.
3. Review the purpose and select 'Next'.
4. Select 'Your role in the scheme'.
5. Agree to the 'Privacy notice'.
6. Search for the strata plan number and start reporting.

Add strata contact details

1. Enter the contact details of the secretary and chairperson, even if a strata managing agent does the work.
2. Enter the strata manager and building manager's contact details, if you have one.
3. Select 'Continue'.

Add emergency services contact details

videocam
1:18

How to add emergency contact details

1. Select '+ Add role' to add an emergency contact.

2. Select their role and their priority level from 1 to 4, with 1 being the first person to be contacted.
3. Enter their contact information and select 'Submit'.
4. You can add more by selecting '+Add role'. You can add a maximum of 4 contacts.
5. Once you are finished adding contacts, select 'Continue'.

Add lot information

How to report lot information

1. Enter the number of lots in each usage category onscreen.
2. Select 'Continue'.

Add scheme management information

How to report scheme management information

1. Enter the insurance value of the entire scheme. If you're reporting for a two-lot scheme that has voted to not get insurance, tick 'Scheme is exempt'.
2. Enter the capital works fund balance. If you're reporting for a two-lot scheme that has voted not to have a capital works fund, tick 'Scheme is exempt'.
3. If your scheme has formed a strata renewal committee, enter the date the committee was established.
4. Enter the date of the AGM. If you haven't held an AGM, provide the reason.
5. Select 'Continue'.

Add building information

How to report building information

1. Select '+ Add building'.
2. Enter a building reference. If the building doesn't have a name, enter a meaningful reference such as 'Building 1'.
3. Enter the building details including if the building is a Class 2 building type, the occupation certificate (if any), the annual fire safety statement (if any) and NABERS ratings (if any).
4. Select 'Done'.
5. You can add more buildings by selecting '+Add building'.
6. Once you are finished adding buildings, select 'Continue'.

Review and declare

How to review your reporting

1. Review all details you have entered.
2. If you are late in reporting the scheme, provide a reason.
3. To make any changes, select the relevant heading from the options at the top (for example, 'Lot information') to go to that section.
4. Enter a reason for reporting late.
5. Once you have confirmed all details, select 'Continue'.
6. Complete the 'Declaration'.
7. Choose if you would like to provide feedback
8. Select 'Continue'.

Process your payment

How to process payment

Credit card, debit card,

[PayPal \(https://www.paypal.com/\)](https://www.paypal.com/)

,
[PayID \(https://payid.com.au/\)](https://payid.com.au/)

, or

[BPAY \(https://bpay.com.au/\)](https://bpay.com.au/)

are accepted for payment. The payment amount is \$3 per lot in the strata scheme.

1. Choose who will make the payment.
2. You can select 'Download invoice' for a copy of the invoice.
3. Select 'Pay now' to pay.
4. Once the payment has processed, you can download a receipt for your records.
5. Select 'Home' to finalise the reporting and payment process.

If you're paying by BPAY, select BPAY, enter your email address, select the payment acknowledgement and select 'Pay now' and 'Done'. The payment instructions and details will be displayed on the screen and also sent to your email address. The BPAY reference number is only valid once for use within 21 days. Do not save it for future use.

How to process a BPAY payment

How do I nominate another person to make payment?

How to nominate a payee

To nominate another person to pay, go to the Assign Payee section within the payment process. Under the 'Who will submit payment?' question, select 'Assign someone to make payment'.

The chosen person will be emailed instructions. They will need to accept the payment request before they can login to pay.

How to report every year

If your scheme has already completed its first strata annual report, follow the steps below to submit your annual report on the Strata Hub for the second year and beyond. Remember, you must do this within 3 months of holding your [AGM \(https://www.nsw.gov.au/housing-and-construction/strata/living/meetings\)](https://www.nsw.gov.au/housing-and-construction/strata/living/meetings).

Expand all Collapse all

Start your annual report

1. Log into the [Strata Hub \(https://www.stratahub.nsw.gov.au\)](https://www.stratahub.nsw.gov.au).
2. Select the strata scheme you want to report from the 'My strata schemes' list on your dashboard.
3. Select 'Start annual reporting'.
4. Enter your AGM date then select 'Start'.
5. Read and agree to the 'Privacy notice'. Select 'Next'.

Check and update prefilled strata contact details

1. Read all the information including names, contact details and prefilled fields to make sure they are correct.
2. Select any field to update the details.
3. Select 'Continue'.

Check and update prefilled emergency contact details

1. Read all the information including names, contact details and prefilled fields to make sure they are correct.
2. Select the three dots in the 'Update contact' column to edit or delete a contact person.
3. Select '+ Add role' to add an emergency contact.
4. Once finished, select 'Continue'.

Check and update prefilled lot information

1. Read the information to make sure it is correct.
2. Select any field to update the details.
3. Once finished, select 'Continue'.

Check and update scheme management details

1. Enter the insurance replacement value.
2. Enter the balance of the capital works fund.
3. If your scheme has formed a strata renewal committee, enter the date the committee was established.
4. You can update the AGM, if necessary.
5. Select 'Continue'.

Check and update building information

1. To update the details of a building, select 'Update'.
2. If you did not previously fill out the details of the occupation certificate, you will need to include these details now.
3. Fill in the 'Annual fire safety statement' details.
4. Select 'Done'.
5. To delete a building, select the 'Trash can' icon.
6. Select 'Continue'.

Review and declare

1. Read and agree to the 'Declaration'.
2. To make any changes, select the relevant heading from the options at the top of the screen to go to that section.
3. Once you have confirmed all details, select 'Continue'.
4. Choose if you would like to provide feedback.
5. Select 'Continue'.

Process your payment

Credit card, debit card,
[PayPal \(https://www.paypal.com/\)](https://www.paypal.com/)

,

[PayID \(https://payid.com.au/\)](https://payid.com.au/)

, or

[BPAY \(https://bpay.com.au/\)](https://bpay.com.au/)

are accepted for payment. The payment amount is \$3 per lot in the strata scheme.

1. Choose who will make the payment.
2. You can select 'Download invoice' for a copy of the invoice.
3. Select 'Pay now' to pay.
4. Once the payment has processed, you can download a receipt for your records.
5. Select 'Home' to finalise the reporting and payment process.

If you're paying by BPAY, select BPAY, enter your email address, select the payment acknowledgement and select 'Pay now' and 'Done'. The payment instructions and details will be displayed on the screen and also sent to your email address. The BPAY reference number is only valid once for use within 21 days. Do not save it for future use.

Update your communications preferences in the Strata Hub

You can update your communications preferences at any time using the steps below, or by selecting the 'unsubscribe' link on optional emails you receive.

1. Log into the Strata Hub and select the 'My profile' icon in the left-hand panel.
2. Select the types of information you want to receive:

- Educational material about strata
- Information about strata events and news
- Opportunities to take part in research to improve strata-related services.

Strata Hub users can still receive emails that are not 'opt-in' emails. This includes:

- mandatory or compliance related information (for example, updates about complying with new strata laws for strata managing agents)
- system-generated notifications from the Strata Hub.

How to update reported information

You must update the information in the Strata Hub within 28 days of becoming aware if:

- your scheme finds out that your reported information is incorrect
- any contact information changes for the secretary, chairperson, strata managing agent (if there is one), building manager (if there is one) and emergency contacts, or
- a [strata renewal committee \(#toc-frequently-asked-questions-faqs\)](#) is established.

Fines of up to \$2,200 may apply if a strata scheme does not do this.

If you need to view or update reported information:

1. Log into the [Strata Hub \(https://www.stratahub.nsw.gov.au\)](https://www.stratahub.nsw.gov.au).
2. Under 'My strata schemes' select your strata plan number.
3. To view information about a scheme, select the relevant menu item.
4. To update information, select the relevant 'Update' button (for example, 'Update strata contacts')
5. Edit the details you need to update, tick the declaration and acknowledgement boxes.
6. Select 'Submit'.
7. Repeat these steps for additional updates.

Anyone who has been added or removed as a contact will be notified by email.

How do I update my details?

You can update your details in the [Strata Hub \(https://www.stratahub.nsw.gov.au\)](https://www.stratahub.nsw.gov.au) by selecting the 'My profile' icon in the left-hand panel. You can:

- update your personal details
- change your Strata Hub password
- record your licence details (for strata managers).

You can't change the email address you used when you registered for strata scheme reporting.

How do I update the strata managing agent details for a scheme?

You can transfer access to a scheme's information to a new strata managing agent.

Note: if the new strata managing agent is within the same strata managing agency and the scheme has been reported with the corporation licence, the name and contact details of the strata managing agent can be updated instead of going through the strata managing agent transfer process.

To transfer access, the current strata managing agent, secretary or chairperson must follow these steps:

1. Log into the Strata Hub.
2. Open the strata scheme from the 'My strata schemes' section of the dashboard.
3. Select 'Initiate transfer' in the Strata managing agent section of the Strata contacts page.
4. Tick the declaration and click 'Submit'.
5. A transfer key will be emailed to the current strata managing agent and the owners corporation secretary and chairperson. One of these people need to give the transfer key contained in the email to the new strata managing agent.

The next steps in the process are for the new strata managing agent, who will need to follow these steps:

1. Log into the Strata Hub and search for the relevant strata scheme.
2. Click 'View strata scheme details' in the search results.
3. Select 'Accept transfer' in the Strata managing agent section.
4. Enter the Transfer key and tick the declaration.
5. Click 'Submit'. You now have access to manage the scheme in the Strata Hub.
6. The Strata Hub will notify the secretary and chairperson that the details have been updated and the strata managing agent that has been removed.

If you are a strata managing agent that is taking over the management of a scheme, you can request the scheme is transferred to you by following these steps:

1. Log into the Strata Hub.
2. Search for the scheme on the dashboard, either by address or strata plan number.
3. Click 'View scheme details' in the search results.
4. Select 'Request transfer' in the Strata managing agent section.
5. Tick the declaration and click 'Submit'.
6. An email will be sent to the current strata managing agent and the owners corporation secretary and chairperson. They need to give you the transfer key contained in the email.
7. Once you have been given the transfer key, log into the Strata Hub.

8. Open the corresponding strata scheme from the 'Incoming scheme transfers' section of the dashboard.
9. Select 'Accept transfer' in the Strata managing agent section.
10. Enter the transfer key and tick the declaration.
11. Click 'Submit'.
12. You now have access to manage the scheme in the Strata Hub. The Strata Hub will notify the chairperson and secretary that the details have been updated and any individuals who have been added or removed.

Understanding key terms

Occupation certificate

An occupation certificate is issued by a local council or private company to authorise a new building (or part of it) to be occupied or used. Occupation certificates were first issued from July 1 1998. If your building was completed before then, it will not have an occupation certificate. Before 2017, some buildings were also issued with interim occupation certificates. Learn more about [occupation certificates \(https://www.service.nsw.gov.au/transaction/apply-for-an-occupation-certificate\)](https://www.service.nsw.gov.au/transaction/apply-for-an-occupation-certificate).

Strata renewal committee

A strata renewal committee is formed if the owners corporation wants to sell or redevelop their strata scheme. The renewal committee will investigate or review proposals on behalf of the owners corporation. Find out more about [strata renewals \(https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/repairs-capital-works#toc-can-you-end-a-scheme\)](https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/repairs-capital-works#toc-can-you-end-a-scheme).

NABERS rating

NABERS stands for National Australian Built Environment Rating System. It is a rating of the environmental performance of your building and is often used to find cost savings or areas for improvement. If your scheme has one, you must report it. Find out about [NABERS ratings for apartment buildings \(https://www.nabers.gov.au/ratings/find-a-current-rating\)](https://www.nabers.gov.au/ratings/find-a-current-rating).

Class 2 building

Class 2 buildings are usually multi-storey, multi-unit apartment buildings where people live above or below each other. Class 2 may also be a single storey attached dwelling where there is a common space below such as a carpark or basement.

Frequently Asked Questions (FAQs)

[Expand all](#) [Collapse all](#)

Are any strata schemes exempt?

All NSW strata schemes must complete annual reporting except if it is still within the [initial period \(https://www.nsw.gov.au/housing-and-construction/strata/buying-a-strata-property#new-strata-schemes\)](https://www.nsw.gov.au/housing-and-construction/strata/buying-a-strata-property#new-strata-schemes).

What are the penalties and when do they apply?

Fines of up to \$5,500 may apply if strata schemes do not complete their reporting on time.

Penalties of up to \$2,200 may apply if a strata scheme becomes aware that reported information is incorrect and does not update it on the Strata Hub within 28 days.

How will the \$3 per lot fee be used?

The \$3 per lot fee helps maintain and improve the Strata Hub as well as providing support and education about living in strata in NSW.

What if I can't find the information I need to report?

Your scheme is required to source the information needed for the reporting.

If you can't find the details of your [occupation certificate \(https://www.nsw.gov.au/housing-and-construction/strata/strata-hub#glossary\)](https://www.nsw.gov.au/housing-and-construction/strata/strata-hub#glossary),

and you know the building was completed before 1 July 1998, you can select 'Building completed for occupation before 1 July 1998'.

What if we haven't held an annual general meeting (AGM) recently?

Strata schemes need to hold an AGM each year. This provides information that you need for your strata annual reporting.

If your scheme has never held an AGM before, you can complete your first report without providing an AGM date. You will be asked to explain why an AGM hasn't been held. You will need to conduct an AGM each year before you complete your future reports.

To read more about AGM's, visit

[How to run a strata meeting \(https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/how-to-run-a-strata-meeting\)](https://www.nsw.gov.au/housing-and-construction/strata/serving-on-a-committee/how-to-run-a-strata-meeting)

or

[Simple guide to holding an AGM in a two-lot scheme \(https://www.nsw.gov.au/housing-and-construction/strata/annual-reporting/strata-blogs/holding-an-agm\)](https://www.nsw.gov.au/housing-and-construction/strata/annual-reporting/strata-blogs/holding-an-agm)

.

What if we don't have a strata committee secretary or chairperson?

If you don't have a strata committee secretary or chairperson, you must elect both these roles. You do so at the first

[strata committee meeting \(https://www.nsw.gov.au/housing-and-construction/strata/living/meetings#strata-committee-meetings\)](https://www.nsw.gov.au/housing-and-construction/strata/living/meetings#strata-committee-meetings)

after the

annual general meeting (<https://www.nsw.gov.au/housing-and-construction/strata/living/meetings#annual-general-meeting>)

(or

general meeting (<https://www.nsw.gov.au/housing-and-construction/strata/living/meetings#general-meetings>)

) when the strata committee was elected.

Two-lot strata schemes automatically have a strata committee made up of an owner from each lot.

Choose one person to be the secretary and one person to be the chairperson.

You must report the secretary and chairperson's contact details, even if you have delegated their duties to a strata manager.

If a secretary or chairperson cannot be elected or the position has been vacated, you can report the position as being vacant in the Strata Hub. You can do this either when you report a scheme or by updating a scheme's strata contact details. You will need to provide the date and reason the position became vacant.

To fill a vacant position, the strata committee must appoint a person who is a member of the strata committee, or who is eligible to be a member of the strata committee.

If the details for the secretary and/or chairperson change, you have 28 days to update them from when you became aware of the change.

Can I report information for multiple strata schemes?

Yes. Find out how to

report for multiple schemes (<https://www.nsw.gov.au/housing-and-construction/strata/annual-reporting/reporting-multiple-schemes>).

.

What if my strata scheme has subdivided or consolidated?

Changes to the number of lots in a scheme that are due to a strata plan of a sub-division or consolidation will be reflected in the original strata plan number. You use the original strata plan number to report the scheme.

Make sure the number of lots you report is the same as those registered with the **NSW Land Registry Services** (<https://www.nswlrs.com.au/>).

.

What if I can't complete my strata annual reporting online?

If you do not have access to a computer or digital device, you can visit your nearest

Service NSW Centre (<https://www.service.nsw.gov.au/service-centre>)

to use one of our digital assist kiosks. Alternatively, you can pick up and complete a paper form.

Make sure you have all the

essential documentation ([#documentation](#))

ready before you visit Service NSW.

If you require assistance to report your strata scheme, please contact us on **13 32 20** (<https://www.nsw.gov.au/tel:133220>).

Who can see the information reported in the Strata Hub?

For more details on what information can and can't be seen, visit [Strata Hub security and privacy](https://www.nsw.gov.au/housing-and-construction/strata/strata-hub/strata-hub-security-and-privacy) (<https://www.nsw.gov.au/housing-and-construction/strata/strata-hub/strata-hub-security-and-privacy>).

How to remove a person's reporting access?

If someone who shouldn't have completed reporting for your scheme did so, the owners corporation secretary or strata manager (if you have one) can remove their editing access:

1. Log in to the [Strata Hub](https://www.stratahub.nsw.gov.au) (<https://www.stratahub.nsw.gov.au>)
2. Under 'My strata schemes', select the strata plan number.
3. Select the 'Update strata contacts' button.
4. Under 'View scheme', select 'Actions' and choose 'update strata contacts'.
5. Under 'Do you want [name] to have view and edit rights to this scheme?' select 'No'.
6. Add the reason why they are being removed from the scheme reporting.

The person who has been removed will get an email telling them they have been removed.

Note: You can also follow these steps to remove your own access.

Why do strata schemes need to report?

Annual reporting on the Strata Hub brings together, for the first time, key information about the 85,000+ strata schemes across NSW onto the one digital platform. This enables NSW Government to better plan for and support all strata communities.

With this information, NSW Government can:

- bring greater accountability to how strata schemes are run
- plan for and provide better strata services
- keep all strata schemes up to date with important information, such as changes to strata laws
- better connect emergency services and strata schemes in case of an emergency.

By completing annual reporting, you will:

- be able to access your strata information in the one place
- have easy access to up-to-date information, with strong privacy and security safeguards
- help us bring strata regulation into the digital age to make strata living safer for everyone.
